

AT KOH HAPPINESS MEETS HARMONY!

KOH is inspired by the fun and freshness of flavours from south-east Asia.

Gan Gin Gan Yuu, as they say in Thailand. It means 'as you eat, so you are'. We believe that the love that is put into food manifests itself elsewhere. If we eat in balance, we are in balance; so at KOH you'll find fresh, authentic flavours with an innovative twist. We're also big on enjoyment. Sookjai or 'happy heart', a reminder to take life's pleasures as they come.

When they come, we believe they're best shared, so we encourage a sense of community around the table.
